

Pirates Charities and Casey's Clubhouse are thrilled to announce the opening of the Pirates Charities Miracle League of the South Hills Field on May 26, 2012 in Boyce Mayview Park. All of our friends and families are invited to join us to celebrate these all-star players.

The Miracle League Field is uniquely designed to give children of all abilities the opportunity to participate in baseball, the sport that has taught countless life lessons. The field is equipped with various amenities including, a completely rubberized and flat surface, power outlets in the dugouts and bathrooms available on site.

One of the most important parts of the Miracle League program is the buddy system. Players are paired with other children or adults in the community (12 years and older, please) to help them run the bases, field the ball and cheer them home. As a result, the Miracle League isn't just about baseball but the community it creates.

The Pirates Charities Miracle League is now accepting registration for special needs players (youth and adult leagues) and volunteers (buddies, umpires, announcers, coaches and more). Games will be held on Saturdays, May 26 through June 30 and will return for a fall ball season.

We hope you will be able to join us to volunteer, play or simply celebrate the abilities of our players.

To register, volunteer or follow our story visit us on the web at:
